

THE KIARA 4 X 2

The Kiara is the perfect blend of spaciousness and functionality, designed for modern country living. With a total area of 342 m², this kit home offers an expansive 156 m² of living space and a 150 m² garage under the main roof. The 35 m² patio provides the ideal outdoor setting for entertaining or relaxing. With customisable options for the roof pitch, eave height, and garage or porch extensions, The Kiara adapts to meet your needs while maintaining its charm and practicality.
